

## INTENTIONAL WORLDSCHOOLING PREPARATION WORKSHEET

What are the reasons you want to live/choose to live a worldschooling lifestyle?

What is your long term worldschooling vision, goal or plan?

What (if anything) is preventing you from committing to your worldschooling vision?

What is your education/learning style?

What is your travel style?

In your mind, what are the pitfalls of both styles (the chief cause of failure is falling into the pitfalls)?  
Education:

Travel:

What does living in the present mean to you?

Define your personal approach to balancing between living in the now and keeping an eye on the big picture.

How will you define learning while worldschooling?

Will you measure your family's learning?

How will you combine an element of service in your worldschooling journey?

What is your monthly worldschooling budget?

How will you finance your worldschooling? (IE: earn a living through a job, live off of savings, live off of passive income, etc)

What is the first step you need to do in order to be sustainable while worldschooling?

What worldschooling/travel circumstances push you into your stretch zone?

What worldschooling/travel circumstances push you into your panic zone?

Where in your life are you inflexible?

Who will be your mentor in:
